2 Product categories

Exhibitors with a proven connection to WorldSkills Europe and WorldSkills International are eligible, if they are manufacturers, retailers, commercial entrepreneurs and service providers from the skilled trades and industry. This applies in particular to exhibitors whose products are used in EuroSkills 2027. The Competition also offers representatives from business, the skilled trades and education the opportunity to showcase themselves. Only brand-new goods or services may be exhibited. Exhibitors must describe the planned exhibits and the purpose of their participation as exhibitors in their registration.

6 Payment

The participation invoice will be sent to the exhibitor according to the schedule outlined in point 3.1. The invoice will be sent to the exhibitor exclusively by electronic means (e-mail with PDF attachment) in unencrypted form to the e-mail address provided by the exhibitor. The invoice is deemed to have been received by the exhibitor when the email arrives in their sphere of control (email account with the internet). The exhibitor shall ensure that the inbox is checked regularly and that the technical requirements for receiving the email are always met. If the exhibitor's email address changes, they shall notify the exhibition company immediately. If the exhibition company suffers damage due to missing or inadequate technical requirements and/or due to failure to notify a new email address, the exhibitor shall be obliged to compensate the exhibition company. Complaints must be made in writing immediately upon receipt of the invoice. Later objections will not be accepted.

All invoices issued by the company are due immediately without deduction on the invoice date. Invoices for other services or deliveries that are ordered separately are due on the invoice date, i.e. usually before the start of the event, but no later than the date of service or delivery.

8 General information

The media flat rate payable by each exhibitor covers the publication of exhibitor data in electronic media and possibly other media, as well as the use of the event website by exhibitors.

An additional amount of 0.60 € per square metre will be charged for the Association of the German Trade Fair Industry (AUMA).

The minimum size of a stand is 12 square metres. Each square metre or part thereof will be charged in full. All non-rectangular areas will be charged as rectangular areas. Projections, pillars, columns and areas for installation connections will also be charged. The participation fee does not include stand partition walls. The participation fees and all other fees are calculated in euros and are net prices, i.e. excluding value added tax and/or other consumption or service taxes. If such taxes are incurred by the services, they are payable in addition to the agreed price. The exhibitor is not entitled to reduce payments to EuroSkills 2027 GmbH by current or future taxes (including possible withholding tax), levies and/or fees. If and to the extent that the exhibitor is legally obliged to withhold and pay such levies on behalf of EuroSkills 2027 GmbH, this withholding shall be at the expense of the exhibitor. The exhibitor shall ensure that the contractually agreed payment of participation fees and other fees is made on the due date and shall pay the required levies on its own account on behalf of EuroSkills 2027 GmbH to the requesting authority within the statutory period. The exhibitor shall forward the certificate of payment issued by the authority to EuroSkills 2027 GmbH within one week of receipt of the certificate.

All stand designs, including the branding plan and structural elements, must be approved by EuroSkills 2027 GmbH. All equipment, products, machinery, tools, promotional gifts, merchandise and/or marketing materials must be approved by EuroSkills 2027 GmbH before being sent to the event venue.

The exhibitor passes are intended exclusively for exhibitors, their stand personnel and stand representatives. In the event of misuse, the pass will be confiscated without replacement. Each exhibitor will receive three exhibitor passes free of charge for a stand up to 12 square metres in size. For each additional 10 square metres or part thereof, one additional exhibitor pass will be provided free of charge up to a maximum of 10. Additional exhibitor passes can be ordered from EuroSkills 2027 GmbH at the appropriate time for a fee. Two exhibitor passes will be provided free of charge for each co-exhibitor after payment of the co-exhibitor fee.

As a rule, only exhibitors whose registered products and services correspond to the event's offering and who meet the requirements set out in paragraph 1 will be admitted. EuroSkills 2027 GmbH will decide on the eligibility of exhibitors and exhibits, after consulting the relevant committee if necessary. There is no legal right to admission. Exhibitors who have not fulfilled their financial obligations to EuroSkills 2027 GmbH or who have violated the conditions of participation, technical guidelines or legal provisions may be excluded from participation. The law of the Federal Republic of Germany applies. The contractual language is German.
